Time	Topic
	Conference Chairman: Du Guoqiang, General Manager of Ningbo Dafa Chemical Fiber
9:00	Opening Speech Zhao Xiangdong, Vice President, China Chemical Fiber Association (CCFA)
9:10	Analysis on Development of Textile Industry in 2007 Cao Xuejun, Division Chief, Economy Operation Department of China National Development and Reform Commission
9:40	Paradigm Shift in Polyester Recycling —From Second Grade Replacement Products to Green Labels and Cost Cutting Dr. Ulrich Thiele, Dr. Thiele Polyester Technology
10:00	Polyester Chemical Recycle Technology Kazuhiro Satou, General Manager, Raw Materials & Teton Polymers Sales Department, Raw Materials & Teton Polymers Division, Teijin Fibers Limited
10:20	Coffee Break
10:40	Economical and Quality Improvements in PET Reclaim Processing Dr. Oliver Schmidt, Manager Technical Sales, Gneuss Kunststofftechnik GmbH
11:00	CC-PET® for recycling units Jianlei Xu, Sales & Service Manager, Rieter China Shanghai
11:20	High End Fibres by Compact Spinning Erwin Glawion, Coordinator of Technological Innovations, Fleissner GmbH
11:40	Regular Operation and Self-discipline of Recycling Enterprises Du Guoqiang, President, Ningbo Dafa Chemical Fiber
12:10	Buffet (Hall A, Jing Chao Hall, 4F)

Sep 6, P.M. (Hall B, Jing Chao Hall, 4F)

Time	Topic
	Conference Chairman: Zhu Buoliang, President, China Chemical Fiber Economic Information Network (CCFEI)
14:00	Current Situation and Prospect on PET Recycling Industry Tan Yiwu, President, Guangdong Jofo Chemical Fiber
14:30	Technological Advancements in Separation and Sorting Technology for Recycled Plastics Peter Mayer, Sales Manager Sorting Technology, S+S Separation and Sorting Technology GmbH
15:00	All-Inclusive Plant Design for Bottle-to-Bottle Recycling Andreas Christel, Product Manager Thermal Processes, Bühler AG
15:30	Coffee Break
15:50	From Melt Filtration to CrystalCut® Pelletizing: Advanced Key-technologies for Efficient PET Recycling Sven Conrad, Chief Representative, Kreyenborg Shanghai Representative Office
16:10	Undried PET Processing with Co-Rotating Twin-Screw Extruders for Various Applications Dr. Ansgar Frenzel, General Manager China of KraussMaffei Berstorff GmbH
16:40	Direct Processing of PET without Pre-drying Stefan Mueller, Senior Process Engineer; Shen Jun, Sales Manager; Coperion China
18:00	Teijin Night (Hall 2, Ming Du Hall, 3F)

Sep 7, A.M. (Hall B, Jing Chao Hall, 4F)

Time	Topic
	Conference Chairman: Lin Shidong, Secretary General of CCFA Recycled Fiber Commission
9:30	China Recycled Fiber Industry: Taking the Pain of Industrial Reconstruction to Achieve Rationalistic Development Cao Wenting, Analyst, China Chemical Fiber Economic Information Network (CCFEI)
9:50	Repreve —100% Recycled Polyester Luka Yuan, Downstream Sales Manager, YIHUA UNIFI
10:10	Coffee Break
10:30	Improve Quality of Regenerated PET Fiber with Specialty Finishes Dr. Zheng Huabing, Goulston Technologies, Inc.
11:00	Cutting-edge Sorting Technologies for Recycled Plastics, Metals, and Wastes Ted Park, Country Manager Korea, TiTech Visionsort & CommoDas GmbH
11:30	Cixi Jiangnan's Experiences of Responding to Anti-dumping Suit Sun Ya, Vice President, Cixi Jiangnan Chemical Fiber
12:00	Buffet (Hall A, Jing Chao Hall, 4F) End of the Forum
