
Conference Agenda

April 24

A. M.

Conference Chairman: Wayne Jiang, Vice President, China Chemical Fiber Economic Information Network (CCFEI)

9:00 Opening speech—Da Wei, Vice President of China National Chemical Fiber Corp. Chairman of China Chemical Fiber Economic Information Network (CCFEI)

9:05 Analysis and Forecast on China Chemical Fiber Industry
-----Zheng Junlin, Secretary General, China Chemical Fibers Association

9:35 Acrylonitrile And Derivatives Future Direction
-----Simon Garmston, Managing Director, PCI Acrylonitrile Ltd.

10:05 Coffee Break

10:30 Status quo and Perspective of China Blanket Development
-----Zhao Xibao, Director of Blanket Committee of China Wool Textile Association, President of Weihai Woolen Textile Co., Ltd

11:00 Status quo and Future Trend of Carbon Fiber Technology Development in China
-----Prof. Xu Lianghua, Beijing University of Chemical Technology

11:30 Produce for Profit, not to utilize capacity
-----Ashwini Chotani, General Manager of Marketing, Thai Acrylic Fibre

12:00 Luncheon

P. M.

Conference Chairman: Bo Guangming, Vice Secretary-General of China Chemical Fibers Association

14:00 Report on Acrylonitrile Market
-----Li Xiugang, Section Chief, Sales Center of Jilin Petrochemical

14:30 Status quo and Perspective of Acrylamide Industry Development in China
-----Wang Zhiyao, President, International Trading Dept. of Beijing Hengju Chemical Group

15:00 Market Status of ABS in Recent Years
-----Tao Zhanmiao, Supervisor, Formosa ABS Plastics (Ningbo) Limited Company

15:30 Free Communication

April 25

A. M.

Conference Chairman: Simon Garmston, Managing Director, PCI Acrylonitrile Ltd.

9:00 How can acrylic fiber producers survive in a squeeze between feeds and derivative margins?
-----Ma Jun, President, Jilin Qifeng Chemical Fiber Co.

9:30 Outlook of ACN market surrounding
-----Takuma Miura, Manager Acrylonitrile Marketing, Asahi Kasei

10:00 Coffee Break

10:30 Development and Perspective of Acrylic Fiber's Application in Industrial Territory
-----Yan Guoliang, First Deputy Director of SINOPEC Shanghai Research Institute

11:00 Acrylic Fiber Market Retrospect in 2007 and Outlook in 2008
-----Wayne Jiang, Vice President, China Chemical Fiber Economic Information Network (CCFEI)
