## Conference Agenda

**Nov 15**

**A. M. Polyester Feedstock Session:**

Time

Topic

9: 00

**Current Development Status and Perspectives of China Textile Industry**

Sun Huaibin, Director, China National Textile And Apparel Council (CNTAC)

9: 30

**Analysis on PET & Aromatic Market Trend in China Mainland**

Shi Jun, President, CNPC Liaoyang Petrochemical Research Institute

10: 00

**Changes of Polyester Feedstock Supply and its Influences**

Zhu Peijun, Division Chief, Synthetic Fiber Division of Sinopec Chemical Products Sales Company

10: 30

Coffee break

10: 50

**What Next for MEG? Prepare for the Unexpected!**

Roger Lee, Managing Director, Tecnon OrbiChem Ltd

11: 20

**Thoughts on Development of Polyester Filament Industry in China**

He Weihui, Professional Analyst, China Chemical Fiber Economic Information Network (CCFEI)

12: 10

Lunch (Garden Restaurant, 1F)

**P. M.**

**Polyester Session:**

13: 30

**Current Situation of Private PSF Enterprises and its Future Development Trend**

Wang Fangneng, Vice President, Jiangsu Huaxi Group Corp

14: 00

**The Global PET Resin Market & Changing Trade Patterns for PET and Polyester Staple in 2008**

Francesco Zanchi, CEO, GSI Global Services International srl, Italy

14: 30

**The World PET & New Polyester Fiber Product Development and Application**

Wang Mingyi, Chief Engineer, Polyester Fiber Dept., Sinopec Shanghai Petrochemical Company

15:00

**Technological Revolution of the PTA Industry**

Lee Chih Chung, Director of Technology Transfer in Asian Pacific Region, Invista Sales & Services (Shanghai) Co Ltd.

15: 30

Free Communication (cocktail party)

18: 00

Dinner (Garden Restaurant, 1F)

**Nov 16**

<b>A. M. Time</b>	<b>Textile Session: Topic</b>
9:00	<b>Development of Home Textiles and Chemical Fiber's Application in Home Textiles Industry</b> Fan Tingyi, Vice Chairman, China Home Textile Association
9:30	<b>Influence on Textile Export Enterprises from Changes of Rebate and Exchange Rate</b> Qin Hong, Manager of Trade Management Dept., Sinotex Investment & Development Co., Ltd.
10:00	Coffee break
10:20	<b>Influences on Polyester Industry Posed by Expansion of Textile Demand</b> Lin Jun, Chief Editor, China Chemical Fiber Economic Information Network (CCFEI)
10:50	<b>PTA Futures and Business Management</b> Wei Zhenxiang, Senior Director of Research & Development Department, Zhengzhou Commodity Exchange
12:00	Lunch (Garden Restaurant, 1F)
